# WEEK 1

## SUNDAY 1ST

### GIVE YOUR GARDEN TOOLS A CLEAN

Are your tools looking a bit too dirty and worn down for your liking? Soak your tools in Jeyes Fluid RTU formula for 30 minutes, give them a quick rub with a cloth and voilà – good as new!

## MONDAY 2ND

### NATIONAL GARDENING WEEK

(2ND MAY – 8TH MAY)

### FRESHEN UP THE BINS

You don't have to dread taking out the rubbish. Simply sprinkle Jeyes Freshbin Powder into the base of your wheelie bin to absorb and neutralise any unpleasant smells.

JEYES FRESHBIN POWDER

## TUESDAY 3RD

### MAKE THE OUTDOORS COSY

Grab a set of garden fairy lights and hang them around your outdoor space – maybe across your shed, around a tree or along your balcony. Wait for the night to draw in and for the stars to come out to reveal a twinkly masterpiece right on your doorstep!

## WEDNESDAY 4TH

### CLEAN THE PLANT POTS

Reuse don't rebuy! With Jeyes Fluid RTU formula it's really easy to give your pots a spring refresh. Simply apply the pre-diluted formula, allow to soak for 30 minutes and rinse thoroughly. Ta-dah! They'll be looking fresher than ever.

JEYES FLUID RTU

## THURSDAY 5TH

### DUST OFF YOUR SUMMER BBQ

Prep your BBQ this season for some delish food by using Jeyes Barbecue and Oven Cleaner to get rid of any leftover grease or traces of burns. You'll be surprised at how quick and easy it can actually be!

BBQ & OVEN CLEANER

## FRIDAY 6TH

### WE ALL DESERVE SOME TIME-OUT

Take 20 minutes to soak up the sun in your outdoor space. Not only will you be getting a daily fix of vitamin D but research shows that your mood can be boosted and your focus restored thanks to the natural release of serotonin.

## SATURDAY 7TH

### GIVE THE GARDEN A TRIM

Give the grass a fresh trim with the lawn mower. If it's the first cut of the season remember to opt for a smaller trim to prevent that annoying moss or those pesky weeds from rooting in!

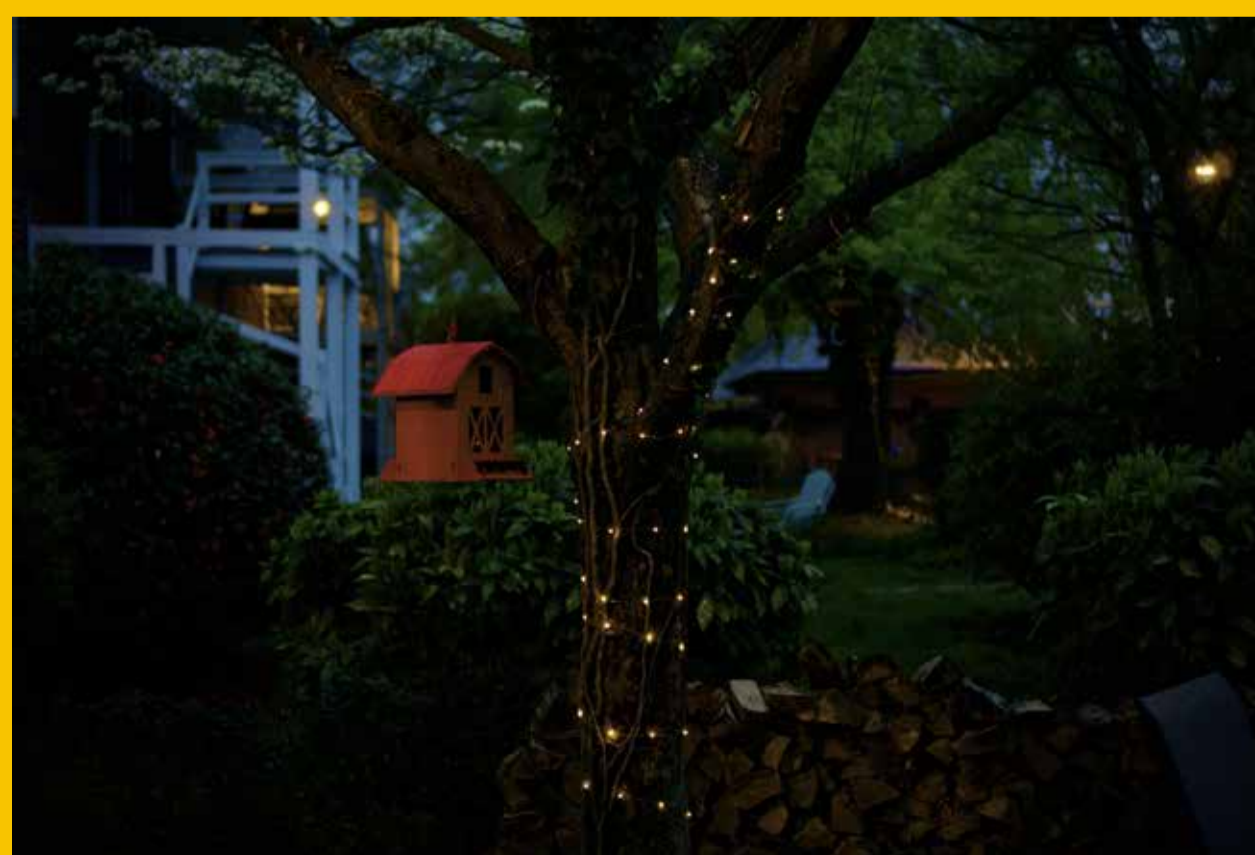

## SUNDAY 8TH

### PAINT THE FENCE

Whip out your brushes and get painting! Art is a great way to de-stress and help relieve your anxieties. Prep your outdoor canvas (fences) by giving them a quick clean with Jeyes Fluid Original to ensure you have a clean surface to work on. The product's clear formula can now be used on even the lightest surfaces.

## RECOMMENDED PRODUCTS

### MONDAY 9TH

**MENTAL HEALTH AWARENESS WEEK**  
(9TH MAY - 15TH MAY)

#### SURPRISE A LOVED ONE WITH FLOWERS

Why buy flowers when you can grow your own? Sew your seeds and add a fresh layer of compost to ensure the soil is rich and healthy. Then you'll be ready to surprise that special someone with the perfect bouquet of flowers.

### TUESDAY 10TH

#### PREPARE THE PATIO

Remove any leaves, debris or dirt from the patio. A broom with stiff bristles often works the best for this. Next get rid of any weeds lingering in the cracks before using Jeyes Patio and Decking Power to make your patio spotless (no scrubbing required!). For outdoor spaces 99m2 or less opt for the 2 litre bottle and for areas larger go for the 4 litre bottle.

### WEDNESDAY 11TH

#### TREAT THE DOGHOUSE TO A MAKEOVER

It's really important to keep your dog's home clean and odour free – especially when they have one of the most powerful noses on the planet. Empty all the bedding and pop all the toys to one side, then give the inside (walls and all) a good clean with Jeyes Fluid Original. This will give the place a hygienic clean whilst removing any limescale and rust built up on metal surfaces. Once completed and bedding washed, put everything back and let your furry friend enjoy their very own outdoor oasis.

### THURSDAY 12TH

#### TRANSFORM YOUR OUTDOOR DINING EXPERIENCE

It's essential to give your outdoor furniture a deep clean with an all-purpose cleaner to get rid of all the winter nasties and prep for a summer filled with alfresco meals. A great way to ensure that you're keeping the table clean and safe to eat from is by wiping it down before and after every use with Jeyes Multi-usage Spray.

### FRIDAY 13TH

#### HAVE BREAKFAST OUTDOOR

Start your day right by enjoying your breakfast outside – no phone, no work, no distraction. This will really help you de-stress and place you in the best frame of mind to take on the day without feeling overwhelmed.

### SATURDAY 14TH

#### CREATE A GARDEN CATWALK

Get the kids excited and on board by asking them to get dressed up in their favorite outfit whilst you clear the back pathway and give it a quick clean with Jeyes Patio and Decking Power (no scrubbing required). Once dried, roll out the red carpet and rock out with the family on your very own catwalk.

PATIO & DECKING POWER

### SUNDAY 15TH

#### SPRUCE UP THE PLANT POTS

It's time to pretty your planters! Try your hand at stenciling your garden pots. Grab some paint, a pattern of your choice and get stenciling. Hold the stencil against the surface of the plant pot and carefully begin dabbing on the paint making sure to keep the stencil as steady as possible. Then, gently peel away the stencil and rest your pots somewhere where they can dry.

## MONDAY 16TH

### GET PICNIC READY

Find a clear spot out on the patio or decking and sweep away any debris that wouldn't be pleasant to sit on. Next, use some [Jeyes Patio and Decking Power](#) to give the surface a thorough clean. Add final touches by laying a blanket and finding some comfy cushions to sit on. Pop to your local shop for some lunchtime treats and enjoy an afternoon eating and drinking in your outdoor space.

## TUESDAY 17TH

### PLAN A GAMES NIGHT

Grab a deck of cards, board games or even sporting equipment and head outdoors to enjoy your summer evening. Spending time with others and tuning in to the world outside is a great way to relax and unwind.

## WEDNESDAY 18TH

### REFRESH THE GREEN HOUSE

Start by giving the walls and windows a quick clean to create a crystal-clear view of all your garden treasures. Brush off the dirt and cobwebs and wipe down the glass with a soapy wet cloth. Then finish with a once over of [Jeyes Multi-purpose Spray](#) to remove outdoor residue whilst killing 99.9% of bacteria.

## THURSDAY 19TH

### UNBLOCK THE DRAINS

It's that time of year again when the drains need a good old unclogging. So today's task is to tackle the blocked pipes with the help of [Jeyes Drain Unblocker](#).

DRAIN UNBLOCKER

## FRIDAY 20TH

### NETFLIX & CHILL....OUTSIDE

Today's inspiration is Friday movie night. Bring your blankets, pillows and freshly popped popcorn out into the garden and lay out under the stars whilst watching your favourite film on Netflix. If you're feeling extra inspired, we recommend trying to recreate a Pinterest worthy set up – bring out the fairy lights, the outdoor projector and chocolate fountain and get chillin'!

## SATURDAY 21TH

### GROW YOUR OWN HERB GARDEN

Whether you have a large garden, small garden or no garden at all, there's always a way to create space for your plant – from raising beds on the lawn to hanging herb gardens from your balcony. So, buy that wall planter you've been eyeing up and grab those DIY tools because this is the year that you pot your own herbs – bonus benefit: you save so much money growing your own instead of buying them from the supermarket.

## SUNDAY 22TH

### BE A GARDEN SPY AND BIRD WATCH

Always dreamed of being an MI5 agent or undercover detective? Then today's activity is just for you! Get the grandparents and kids together on the balcony or in the back garden, grab your binoculars and spend the afternoon bird spotting.

### MONDAY 23TH

#### INDULGE IN DIY S'MORES

Ever watched an American movie where happy campers are snuggled up around a fire toasting marshmallows and making the most delicious looking s'mores? While we can't get graham crackers in the UK, opt for Digestives! Simply prep the firepit with a quick clean using [Jeyes Barbecue and Oven Cleaner](#) to remove any residual dirt. Then fill the pit with a fresh set of coals or wood before lighting the fire and toasting your marshmallows. Sandwich your gooey delight between two Digestives and a square of chocolate and enjoy!

### TUESDAY 24TH

**MAY CHELSEA FLOWER SHOW**  
(24TH MAY - 28TH MAY)

#### PLANT A SUNFLOWER

Sunflowers are not only a great way to brighten up your outdoor space but are also proven to improve your self-esteem. Simply helping a plant grow tall and strong will instill a sense of pride within you as you get to see your work pay off physically with healthy plants.

### WEDNESDAY 25TH

#### GET CREATIVE WITH A DIY WIND CHIMES

A summer breeze creates the perfect environment for a wind chime. These beautiful garden accessories play soothing music when the winds blow which is a wonderful way to soothe the mind after a hectic day of work. Start by gathering small items that can be strung like seashells, old jewelry beads or bobbins. Arrange them in the desired order and begin threading together. Once secured in place, hang your creation somewhere that catches the wind and listen to nature work its magic.

### THURSDAY 26TH

#### CREATE A SEED CONTAINER

If you have a 'Tic Tac' container laying around the house, peel away the outer sticker and wipe down with [Jeyes Multi-usage Spray](#). Then create labels and apply to the outer case, these can be the names of the seeds you want to store away. Empty the contents of your seed packets into the container sealing it to make sure no air gets in. Then simply organise in a drawer or on a shelf for easy access when sewing season rolls around.

MULTI-USAGE SPRAY

### FRIDAY 27TH

#### MAKE ROOM FOR READING

Not all exercise means running around the garden – it's equally important to exercise your brain to keep your mind sharp. Put away your phone today and make space in your hands for a good book in a genre of your choice while soaking up the sunshine outdoors. Added benefit: improved concentration.

### SATURDAY 28TH

**NATIONAL CHILDREN'S GARDENING WEEK**  
(24TH MAY - 28TH MAY)

#### GET THOSE WINDOWS GLISTENING AND GLEAMING

It's not just the [Jeyes Fluid Original](#) new and improved formula that will be looking clearer than ever this year – especially once you've given the windows a good wash down with [Jeyes Multi-usage Spray](#) which will clean and disinfect the windows surface from all traces of dirt, mould and limescale.
